

PROUDLY SUPPORTED BY AMADEUS ENERGY LTD (ASX-AMU)

LIVE AT THE QUARRY

ALL SHOWS SOLD OUT

NOVEMBER 2008 – FEBRUARY 2009

LIVE AT THE QUARRY is over for another year and **Mellen Events** and **Lloyd Events** would like to thank everyone who helped to make the 2008/2009 season a sold out success from the first show to the last.

With every show from November 2008 to February 2009 selling out well in advance, it quickly became apparent that **The Quarry Amphitheatre** was the place to be this summer. Balmy Australian evenings with picnic hampers (and more often than not a lovely bottle of Margaret River wine) were spent listening to some of Australia's finest performers – many thanks to **Paul Kelly** for his Perth A-Z Premiere; **Tripod** for sharing their largely inappropriate Christmas wishes with us; **James Morrison** for being Australia's funniest jazz musician as well as our finest; and of course **The Whitlams** who closed the series last weekend with three memorable sold out nights.

Mellen Events and **Lloyd Events** wish to take this opportunity to thank our sponsors: **Amadeus Energy**, who for the second year running came on board as naming sponsor and without whose investment in the project this success would largely not be possible; our Margaret River wine sponsor **Flametree**, whose award winning wines were the highlight of the series for many; and our media sponsors **The West Australian** and **96fm** who supported the event from the first announcement until the last ticket was sold, and ensured the Quarry will be back even bigger and better later this year. See you then!

DON'T MISS OUT NEXT SEASON!
